¹ AppleCare includes telephone assistance (90 days with one-year AppleCare), global repair coverage, and web-based support resources. This plan covers both manufacturing defects and faulty parts. **This plan does not include accidental damage repair.** Repairs can be made at any Apple Store worldwide or conveniently at the UMD IT Help Desk. In addition to these benefits, any student who purchases a computer through the Terrapin Technology Store is eligible for the duration of their warranty to receive a loaner laptop in the event of overnight repairs. Please see the AppleCare Terms and Conditions for complete details.

² Safeware covers manufacturing defects, faulty parts, and accidental damage. This plan provides coverage up to the original purchase price of the computer. Repairs can be made at Safeware designated service centers or conveniently at the UMD IT Help Desk. In addition to these benefits, any student who purchases a computer through the Terrapin Technology Store is eligible for the duration of their warranty to receive a loaner laptop in the event of overnight repairs. Please see the Safeware Terms and Conditions for complete details.

³ Dell Basic Support plus CompleteCare includes local business hours telephone support, basic hardware troubleshooting, and remote troubleshooting assistance. This plan covers manufacturing defects, faulty parts, and accidental damage. Repairs can be made by an on-site service technician or conveniently at the UMD IT Help Desk. In addition to these benefits, any student who purchases a computer through the Terrapin Technology Store is eligible for the duration of their warranty to receive a loaner laptop in the event of overnight repairs. Please see Dell's Terms and Conditions for complete details.
